Outreach Initiatives:

September 4, 2020, KIQX-FM, KIUP-AM, and KRSJ-FM donated 10 hours (8:00am-6:00pm) for our 31st on air radiothon auction. During this period portions are made

available to educate listeners about the issues and problems facing the community and the response radio can provide to help the community. These sections were dedicated to the ongoing needs of the non profits that were affected by the reduction in contributions during Covid19.

Internship with Animas High School

One student from Animas High school was offered an opportunity to produce and present a weekly program highlighting the schools activities during the school year. The students were trained and assisted by FCB staff. The student was educated in all aspects of the stations operations concluding with his presentation during a two day internship program presented virally.
